Dear praying friends,

We want to expressly thank every one of you who have spent so much time praying for our family. Your prayers are vital to our work and we would not want to be without it. We are amazed by the quality of churches that God has put along our path.

We started out the month of March by helping out at the Macedonia Youth Conference in Shelbyville, Tennessee. I had the privilege to teach a split session to a college and career class. I am learning to take advantage of the opportunities that God puts in our path rather than shying away from them.

In April, our sending church held their Spring Sunday School campaign. This was a push to bring visitors, attend regular visitation times, and see people saved. Though we were gone for part of the promotion, we were able to place second in the individual contest! It is always a joy when we can serve in some of the ministries that we had to give up in order to follow God's will for us now.

The end of April was the last long trip that we had planned before Kaitlyn's due date. After a meeting in Alabama on a Monday, we drove a total of 10 hours to get home. As soon the last bags were inside, Kaitlyn's water broke! We are so thankful that God did not allow it to happen any sooner! On the morning of April 26th, Logan Cole Delaney was born! Even though he came 5 weeks early, he had no serious problems or complications. Praise God that He had His hand in his delivery! The next few months will be slower, but it will allow our family to get used to the new size. Please pray that God will fill up our summer as He desires and that He will help us to adjust to this wonderful change.
