Missionaries to South Korea

Dear praying friends,

Happy New Year! Since our last letter, we have had 5 more churches take us on for support! We have considered every church visited and every new supporter an incredible blessing during these holiday months. We were blessed to be able to present our ministry in many churches close to family for both Thanksgiving and Christmas. We spent most of November in New Jersey near my sister, Katie, and her family. Then, in December we were able to see much of Kaitlyn's family in northern Indiana. Even while visiting family, we were still able to present our ministry in many churches when it is usually difficult. We are so grateful to God and to the pastors and churches that presented us with opportunities to stay busy during this time that is typically a slow time for missionaries.

We have some very exciting news! We are expecting our second child in May! In two weeks, we will find out whether it is a boy or a girl. God has given us grace in scheduling around the time of the delivery. In May, we will be near home in Illinois, and in June, I will be going to those meetings alone so Kaitlyn can rest and recover. Please pray for our finances and health through this pregnancy.

We are now at 28% support! We have already sent out many information packets, with many more to be mailed out soon. Please pray that we would be able to fill up the rest of the openings in 2024 with exactly the churches that God would have us to visit. The best path is the one He leads us to.
